Professional Summary

A highly adaptable Software Engineer with expertise in UX/UI design, full-stack web development, and coding. Skilled at creating engaging user interfaces with Figma and translating designs into efficient, responsive web applications using React.js, Next.js, and Node.js. With strong coding experience across the MERN stack, I excel at developing scalable solutions that prioritize both functionality and user experience. Proficient in leveraging modern tools, optimizing workflows, and utilizing advanced computer skills to troubleshoot and solve complex problems. Passionate about driving innovation and delivering impactful software solutions.

Experience

- **Freelancer | Web Developer**
Jul 2024 – Present
 - Developed a user-friendly static website showcasing client products.
 - Collaborated with a client to understand brand identity and specific requirements, ensuring the website aligns with their vision.
 - Implemented responsive design principles to enhance accessibility across devices, improving user engagement.
- **Emstell Technology | Software Projects Intern**
Aug 2024 – Oct 2024 **Kuwait City, Kuwait**
 - Optimized website pages using Next.js and received positive client feedback on design.
 - Participated in code reviews with senior developers to ensure following coding standards and project requirements.
 - Held meetings with clients to discuss new features and project requirements, and effectively communicated those requirements to the development team.
 - Participated in team meetings to discuss project requirements and design elements using Figma.

- **EARTech IT | Software Engineer Intern**
Aug 2023 – Sep 2023 Istanbul, Türkiye
 - Collaborated with a team of developers to create a web application project.
 - Delivered a comprehensive presentation on web development, showcasing expertise in the field and contributing to the team's knowledge base.

Education

- **Bachelors in Software Engineering**
Oct 2020 – Jun 2024 Istanbul, Türkiye
Üsküdar University
GPA: 3.7 / 4

Certifications

- **Meta Front-End Developer Professional Certificate | Meta**
